## Appointment of New Chair

Vault Intelligence Limited (**ASX: VLT**) (**Vault** or **the Company**), the leading SaaS business delivering solutions in the Risk, Environment, Health and Safety (**EHS**) sector is pleased to announce the appointment of Ross Jenkins as the new Chair to the Vault Board.

### **Ross Jenkins - Highly Respected SaaS Strategist and Former Xero Senior Operations Executive**

Ross Jenkins is an experienced business leader, having operated in both corporate and high growth small businesses. As an experienced director in the technology sector, he has led a number of technology companies on high growth trajectories. Ross is a pragmatic strategist with a view that customer focussed, smart execution is the key to long term growth and business success.

Ross was the CFO / COO at cloud software company Xero (ASX: XRO) for 5 years and has accomplished much in the technology sector including founding board member of New Zealand's first ASP - Appserv and New Zealand's first remote DBA service - SQL Services. Ross has over 30 years of industry experience and has taken on advisor roles to organisations such as Datastor (now Westcon) and Plexure plus executive roles with ComputerLand, GDC and Onesource (Konica Minolta and Cogent).

Ross is currently Executive Director of The Instillery – a highly successful “cloud” technology company, and Chairs the Advisory Board of Earshot. Ross also has a range of investments in technology related private companies.
