Vault Enters US Market with Key Client Expansion of additional 143 sites

Vault Intelligence Limited (**ASX:VLT**) (**Vault** or **the Company**), a leading SaaS business delivering solutions in the Risk and Safety Technology sector is pleased to announce a **key client expansion** with significant growth and entry into the **US market** through **Restaurant Brands Limited**.

Restaurant Brands Doubles Sites with Vault and Provides Entry to US

-  **Restaurant Brands Limited** has extended their use of Vault and now is now using **Vault Enterprise in the US** at an additional **79 sites**, across **three US States and Territories** (Hawaii, Guam and Saipan). Following completion of internal onboarding and training, the solution went live on 19 August 2019
-  Restaurant Brands has also expanded use of **Vault Enterprise** in **Australia** with an **additional 64 sites** for KFC which went live on 12 August 2019
-  Growth for this client is on the back of **specific development and capability in the retail food sector** and represents **significant growth** in stores from the **current 145 stores** across New Zealand
-  US implementation offers **important leverage and a substantial soft launch landing** for expansion to the US. Vault is currently in discussion with several large organisations as potential strategic partners and distributors of both **Vault Enterprise** and **Solo** for key **verticals within the US market**

David Moylan, CEO at Vault said, *“This extension with one of our largest clients is testament to our relationship and the service provided to Restaurant Brands, supported by great products and solutions in the retail food sector. We appreciate the faith shown by Restaurant Brands and look forward to continuing to work with them, by listening and responding to their needs through our agile and focused product team.*

Importantly, this growth also affords us our first foray into the substantial US market, which we will leverage over the coming quarters to further grow Vault product penetration and CARR in that market”

Restaurant Brands Limited is a corporate franchisee and specialises in managing multi-site branded food retail chains. Restaurant Brands is listed on the New Zealand Stock Exchange under NZX code RBD and on the Australian Securities Exchange under ASX code RBD. It employs nearly 9,000 staff across New Zealand, Australia and Hawaii and serves 120,000 customers worldwide every day.

Ends.

Caution Regarding Forward Looking Statements

This announcement may contain forward looking statements which involve a number of risks and uncertainties. These forward looking statements are expressed in good faith and believed to have a reasonable basis. These statements reflect current expectations, intentions or strategies regarding the future and assumptions based on currently available information. Should one or more risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary from the expectations, intentions and strategies described in this announcement. Unless expressly stated, the Company does not provide any forecast regarding revenues that may be derived from a particular customer contract, as such revenues are generally dependent upon the extent of the usage of the Company's product suite. Any forward looking statements are made as at the date of this announcement and the Company disclaims any intent or obligation to update publicly such forward looking statements, whether as a result of new information, future events or results or otherwise.
